## **Capoforte CX 270**

---

### **Elegant and Versatile**

---

The new CX270 shares with the CX280, from which it is derived, the elegant, versatile and convivial nature. The outboard configuration exhorts performance, without taking out the dynamic balance of lines. The interiors offer unchanged comfort, care for details and refinement of materials. A new sportive vibration has been simply added to the elements which have turned the CX range into a collection of Classics.
