Capoforte SX 280

Comfort and Dynamism

With a large step platform, the largest in its category, SX 280 stands out for its comfort and layout studied in detail. Luxury and usability come together in this small work of elegant design and stylistic innovation, accompanied by new solutions, dedicated to owners who are looking for a distinctive and unique boat, dedicated to pleasant sailing with family and friends. SX 280 is designed to enhance contact with the sea and conviviality: the generously sized cockpit, a real living room on the water, is able to accommodate many people, comfortably and in total safety. The level of finishings is of the highest level, to make guests and owner proud to be part of the privileged Capoforte world.
