FIM 440 Regina

FIM 440 REGINA is the third model of the Italian shipyard FIM FABBRICA ITALIANA MOTOSCAFI, created to fill the gap between the "small" FIM 340 REGINA and her older sister the FIM 470 REGINA, this new 440 offers extraordinary habitability, with a real owner's cabin amidships and two bathrooms, in the bow we find an elegant dinette, convertible to the need in a real second separate cabin.

The interior materials are luxurious and sought-after, while on the outside the elegance of the design marries perfectly with the sporting spirit of this new Made in Italy jewel.
