**Invictus GT 320**

---

# **STYLE WITHOUT COMPROMISE**

**Invictus GT320 lies exactly between the series sisters, GT370 and GT280, combining their predominant characteristics: design, comfort, performance. It can be equipped with a single engine, as model GT280, but it is also the smallest in the Invictus range to be equipped with dual motorization, as GT370. The volumes balance and the elegance of lines provide a distinct perception of beauty in every detail.**

**Dimensions do not deny the intention of matching the luxury level of larger boats.**

**INVICTUS GT 320 Engine Inboard: Volvo Penta - Mercury (Gasoline - Diesel)**
