Absolute 52 FLY

The Absolute Direction

A new jewel of luxury and technology, with master cabin at the bow on a raised level compared to the VIP cabin and guests, huge windows that eliminate every barrier to fully enjoy the sea view, once again the ABSOLUTE shipyard has surpassed itself, creating internal and external spaces typical of boats much larger than the 16.5 meters of this brand new ABSOLUTE 52 FLY.

Performance and maneuverability are excellent thanks to the two Volvo Penta IPS 800 D8-600 Hp engines, moreover the solar panels on the flybridge's hard top help to significantly lower CO2 emissions.

Technical data

Length: 16.5 m

Draft: 1.3 m

Speed: 25 - 30 mph

Cabins: 3

Crew: 1 ()

Width: 4.8 m
