Absolute 62 FLY

The Absolute Alchemy

The ABSOLUTE 62 FLY follows the stylistic lines drawn by the smaller sister 58 Fly, in fact it is characterized by SPACE and LIGHT, which are the focal points on which all the new boats of the Absolute Yachts shipyard are developed.

The habitability is definitely above average with 3 huge cabins all with private bathroom and separate shower, the large kitchen is positioned at the entrance of the salon in a comfortable position also to the cockpit, a fourth cabin with two twin beds and private bathroom is placed at the stern and can be used as a choice for the crew or for other guests being luxuriously furnished and equipped with all comforts.

The propulsion is entrusted to two very efficient Volvo Penta IPS 950 D11 engines (725 hp) able to push it to well over 30 knots in any load situation.

The finishes and equipment both internal and external are the best the market can offer, many are the stylistic and technological innovations introduced on this beautiful boat.
