FIM 470 Regina

Awarded as *REVELATION OF THE YEAR* during the Yachts Awards in Cannes.

**Second creation of the Bergamasco shipyard FIM FABBRICA ITALIANA
MOTOSCAFI,**

470 Regina was born from a careful and pioneering study of the relationship between internal and external space, a unique and innovative yacht, which encloses high-quality equipment and high-level performance in 15 meters. FIM 470 Regina is designed to make the most of open-air spaces, thanks to the bow and stern movements, which significantly increase the availability and usability of the space on board.

The obsessive attention to detail and the highest quality materials, combined with meticulous research by the designers, make this boat a true jewel of Made in Italy.

The conformation of the interiors is decidedly unique and surprising with two real suites, in the bow we find a double bed that can easily be transformed into two twin beds, amidships a full-beam double cabin typical of larger yachts. Both bathrooms are equipped with a large shower cubicle and finishes with luxurious and refined materials and the optional third cabin is available for large families.

READY FOR DELIVERY
White hull, mot. 2 x IPS 800 Volvo Penta

Launched October 2023

Technical data

Length: 15.1 m

Draft: 1.3 m

Fuel tank: 1540 l

Year: 2022

Heads: 2
